Non-Welsh Transported Chilled Fresh Semen or AI

The following agreement is made between **Molly McCown**, hereafter called the Stallion Owner,
and _____ who resides
at _____, hereafter called the Mare Owner.
The Stallion Owner does hereby agree to breed the purebred Section A Welsh Mountain Pony
stallion, ***WHARLEY MAGIC FLUTE, WPCSA #A-40793, A.I. Permit # 285**, hereafter called the
Stallion, to the mare _____, hereafter called the Mare,
Breed _____ Age _____ Color _____,
for and in consideration of, the mutual covenants described below.

- 1. The stud fee is \$650.00.**
- 2. A booking fee of \$100.00 per mare is required for acceptance of this contract**, which will apply to the stud fee. It is non-refundable if the mare owner decides not to breed the mare. It may be transferred to another mare in the same year pending the approval of the mare by the stallion owner. **The remaining stud fee of \$550.00 must be paid in full prior to the first shipment of semen.**
3. The cost of each collection and shipment of cooled semen is the responsibility of the Mare Owner and **must be paid in full to *Southern Equine Services* prior to the collection of semen. Their office number is (205) 669-9118.** Collection is ~ \$250 . Shipping is to be determined by Fedex overnight rates to the mare's location.
4. Semen will be shipped in a disposable cooled semen shipping container. The mare owner does not need to return the shipping container.

5. **Limited Live Foal guarantee:** Should Mare fail to be in foal after initial insemination, Stallion Owner agrees to ship cooled semen for a repeat service AFTER receipt of signed veterinarian certificate confirming that mare is not in foal and payment of **\$250.00** to cover collection and shipping fees. Mare is entitled to return breeding privileges for ONE season following the initial breeding. The contract is not transferable. Should the mare not produce a live foal (i.e. a newborn foal that stands and nurses), the mare owner is entitled to return breeding. This guarantee shall only apply if the stallion owner is notified in writing within 72 hours of the foal's death. A statement of details by a licensed veterinarian must follow within 10 days or the guarantee becomes null and void. This clause is also binding in case of abortion. If the mare resorbs her pregnancy, we need written verification of this fact from your veterinarian.
6. The Mare Owner will be issued a valid breeding certificate for the WPCSA by the Stallion Owner when the mare is checked in foal, all paperwork has been returned, and all fees and/or expenses have been paid. A replacement fee of \$25.00 will be charged if the Mare Owner loses a breeding certificate.

By signing below, I certify that I understand the covenants as listed above.
